

[Launch X431 Change Serial Number](#)

A screenshot of a software interface titled "Activate Device". The title bar is red with a white back arrow on the left. Below the title bar, there are two input fields. The first field is labeled "Serial Number:" and has the placeholder text "Enter device serial number". The second field is labeled "Activation Code:" and has the placeholder text "Enter 6-20 characters". At the bottom of the form is a large red button with the word "Activate" in white. In the bottom right corner of the screenshot, there is a small red logo with the text "X431TOOL.com".
